

# Programm

---

Dear Colleagues,

since 2004 we have organized practical distraction training courses and now we are pleased to offer you a new appointment in 2012.

This course can be useful and interesting for each dentist, who is specialized in surgery. Especially if they have basic knowledge in other augmentation techniques and would like to complete their knowledge with this method.

This Q-MultiTractor, Type Karlsruhe, is qualified for distraction of alveolar ridge and is a very useful addition in the field of preimplantological augmentation spectrum.

During this course we'll represent the possibilities and limits of alveolar distraction as well as technical application, which will be shown on the models. Additionally, the participants will train on animal bones and will see several live operations in different phases of distraction.

The easy handling and high stability of Q-MultiTractor make it possible to use this system in daily practice.

The team of the Clinic of Oral and Maxillo facial surgery of the Karlsruhe City Hospital and company Trinon Titanium look forward to welcoming you at this course.

Prof. Dr. Dr. (H) A. Dunsche, Director

## Friday

- 2 p.m. **Reception and Introduction**  
**Prof. Dr. Dr. (H) A. Dunsche**
- 2.15 - 3 p.m. **Prof. Dr. Dr. (H) A. Dunsche**  
Position of the Q-MultiTractor Type Karlsruhe within the Alveolar augmentation.  
Alternative augmentation methods.
- 3 – 3.30 p.m. **OA Dr. Dr. M. Peuten**  
**Prof. Dr. Dr. (H) A. Dunsche**  
Bone physiology and bone metabolism;  
Basics and principles of the Osseo distraction
- 3.30 - 4 p.m. **OA Dr. Dr. M. Peuten**  
Application of the Q-MultiTractor as an universal distractor
- 4 – 4.15 p.m. **Coffee break**
- 4.15 – 4.40 p.m. **Prof. Dr. Dr. (H) A. Dunsche**  
**OA Dr. Dr. M. Peuten**  
Demonstration of the Q-MultiTractor on lower jaw model
- Afterwards **Discussion**
- 5 – 5.05 p.m. **Coffee break**
- 5.05 – 7.05 p.m. **Hands-on-Workshop**  
Practical application directly on the animal bone.
- End of first course day approx. 7.15 p.m.
- 7.30 p.m. **Company TRINON invites**  
- Get together Dinner -

## Saturday

- 8.30 a.m. **Patient presentation**
